## Quality Title Group

Quality Title Group (QTG), a trusted provider of settlement and title services since August 1992, is pleased to announce its merger with Lighthouse Title Group (LTG), effective November 1, 2024. This strategic partnership provides a strong geographic connection between our 9-location QTG footprint and the existing 11 markets in Wisconsin where LTG already has locations. These include their Wisconsin corporate HUB in Green Bay's Titledown District, with views of historic Lambeau Field!

While maintaining our commitment to delivering exceptional service, this merger with Lighthouse enables the QTG family to tap into the extensive network of 60 overall Lighthouse and affiliated locations in Wisconsin and Michigan. Additionally, it opens avenues to additional underwriters, enhanced marketing tools, upgraded security measures, cutting-edge technology, and much more.

We are thrilled to unite our teams and continue our legacy as the QTG brands will remain in our new partnership with LTG!
